### **DETAILED ACTION**

1. Claims 107-112 are pending. Applicant's March 15 2005 Amendment and REMARKS have been reviewed. The previous rejections, sans the 35 USC 101 rejection is withdrawn.

2. Claims 107-112 are rejected under 35 U.S.C. 101 because the claimed invention is directed to non-statutory subject matter. The term "wireless device" and "wireless network" do not obviate the previous rejection. As is interconnected papers and pencils may be considered a wireless device and network.

### ***Claim Rejections - 35 USC § 103***

3. Claims 107-112 are rejected under 35 U.S.C. 103(a) as being unpatentable over Bickham, US 5,530,438.

Bickham discloses a point of sale system, e.g. 106, a wireless device, e.g. 102, financial transaction data, e.g. 122, a customer, e.g. 118, and a customer local, e.g. 120. To have determined a geographic area to the customer would have been obvious to one of ordinary skill in the art. The motivation for doing such would have been to implement common knowledge technology associated with wireless devices and pinpointing an individuals position within a electronic communication system. Applicant's REMARKS have been reviewed, but are moot in light of the new grounds of rejection. The Examiner is cognizant of the prosecution history, as noted by Applicant.

***Conclusion***

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
